Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. This is a participation tour. Our accommodated tour option travels together with the camping counterpart.

Your tour ends in **Pretoria**, South Africa's administrative capital. Close enough to Johannesburg to almost be considered a suburb, Pretoria is known as the Jacaranda City, with purple blossoms covering the streets in October each year. Pretoria boasts many sights of interest – such as the 10m bronze statue of Nelson Mandela standing beside the historic Union Buildings. Various cultural sites, shops, bars and restaurants are within an easy walk of our recommended hotel (and tour end point).

How do I get to the airport from Pretoria? Simple. Book a transfer with Travel Talk to take you directly to Johannesburg's OR Tambo International. Journey time is about 45 minutes depending on traffic. We particularly recommend a pre-booked transfer if you are departing late. Alternatively, there is a regular low-cost train service called the Gautrain which runs from Pretoria to OR Tambo International and Johannesburg. If the train interests you, email or ask Travel Talk for more information.

The description below assumes you have purchased the optional Adventure Pass for the tour.

Duration: 22 Days
Countries visited: Tanzania, Malawi, Zambia, Zimbabwe and South Africa

Day 1:

Dar es Salaam - Zanzibar Island

Distance Travelled: Ferry crossing

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringed beaches; romantic winding cobbled alleys and lush tropical forests. You will find all these here – and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was a major trading centre of spices. Indeed, the spice trade here is centuries old: Zanzibaris have traded with the people of the Arabian Peninsula for many generations, navigating the ocean in simple dhow sailboats, relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town. This influence can be seen right along the Eastern coast – the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not so romantic. The island was also a staging post for slaves bought from the African interior, being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held – and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 3 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, fabrics and wooden carvings, or visit mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean and hot sun you prefer – head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: As we leave our vehicle on the mainland, basic tourist class accommodation (B&B) is included but for the sake of flexibility other meals are left for your own account. Typically, we spend one night in Stone Town and the next two nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you if you have any questions or need activities arranged.

Lake Malawi formerly 'Lake Nyasa' covers almost a fifth of the country's area and provides the source of livelihood for many of the Malawi people. Fishermen, fish traders, canoe and net makers all ply their trade, and a common sight is that of a fisherman in his *Bwato*, (dugout canoe made from hollowed out tree trunk) fishing on the lake at the break of day. The lake also has the highest number of endemic freshwater fish species of any in the world.

NB: Although it is our intention to adhere to the campsites described, a certain amount of flexibility is built into our time in Malawi and the crew may make alterations to the published itinerary. Please therefore treat the Malawi section of the dossier as a guideline only.

The views from here are simply magnificent and well worth the effort of hiking to. For those staying at the campsite, there is a local craft market where you can enjoy learning the ins and outs of woodcarving your own souvenir, or learn to play the game of Bao, haggle for some souvenirs or enjoy a relaxing day admiring the shimmering waters from the beach.

Tour Information

TOUR STYLE:

Adventure Camping Tour

Travelling on an adventure camping tour is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT'S INCLUDED:

All tour highlights, 2-person dome tents, fully equipped safari vehicles, camping and cooking equipment, mattresses, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT'S NOT INCLUDED:

Adventure Pass activities, visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag and items of personal nature. NB Lunches and dinners in Livingstone and on Zanzibar are not included.

ADVENTURE PASS:

Every adventure camping tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

ACTIVITIES & EXCURSIONS:

These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

EXTENDING YOUR TOUR: This tour can be extended to travel from Nairobi. Ask your agent for more information.

Zanzibar, Victoria Falls & Kruger (20ZVK22) – Tour Dossier

ACCOMMODATION: We use 2-person dome tents with fly sheets, sewn-in groundsheets, zip-up insect screens and foam mattresses. We mainly use campsites, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar or swimming pool. On Zanzibar we use basic tourist class local hotels.

TRANSPORT: 24-seater, self-contained, custom-built vehicle with on-board tables, plug sockets, freezer, water tank, library, safety features and 70-litre individual lockers, 4x4 safari vehicle and fast ferry. Vehicle changes may occur on this tour. Travel times indicated are approximate and do not include stops en-route.

GAME PARK VISITS: To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.

INSURANCE

It is a booking condition of Travel Talk Tours that you have full travel insurance valid for the duration of your tour to cover you for medical emergency and repatriation to your home country. Your guide will ask you for a copy of this when you join the tour. It is also important that you leave a copy of your insurance with the person nominated as your emergency contact. We can recommend a respected, specialist travel insurance provider for this tour. Please refer to: <https://www.traveltalktours.com/terms-and-conditions/> for more details.

In the UK the Foreign & Commonwealth Office (www.fco.gov.uk) issues free up to date travel advice for all countries visited on tour. Most other governments offer a similar service to citizens. We recommend you review this information before you book your tour. Naturally we welcome any questions you may have about security and safety on tour.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-30 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money Spending money is best carried as cash. South African Rand can be used throughout South Africa and can be obtained from an ATM on arrival. US dollars (Us Dollars in clean, un-torn, post 2008 edition notes) is also accepted for many optional activities & at markets throughout Africa. We have an on-board passenger safe for security and your guide will advise how and when you can exchange money (US dollars, Sterling or Euro) to local currency throughout the tour.

Currencies are as follows: South Africa – Rand; Zimbabwe – US Dollars; Zambia – Zambian Kwacha; Malawi – Malawi Kwacha; Tanzania – Tanzania Schilling

ATM machines are found in Southern Africa, Dar es Salaam and Zanzibar. Please note they are sometimes unreliable (and therefore should not be relied upon).

Credit cards can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advice on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
